Kerry Charles, Vennis Gilmore and other(s) at The planning, and Zoning Department are Applying a biased two tiered Approval system in this City that is very harmful and prejudicial to the people (citizen(s)) of Fort pierce; and deprive(s) the people of the same equal opportunity as other Citizen(s) operating Businesses in St. Lucie County. The Waiver of distance is being utilized in a way that it deprive(s) The Citizen(s) located in the Northside of the City of the same opportunities as it allows for those prospective Business(es) in the Southern areas of the City. If The Waiver of distance rule(s) Continue(s) to be Applied in such a racist and unfair manner it will surely hurt future business(es) in the prejudicial and biased way it is applied, there will be very few small Business(es) opening in Fort pierce. planning Dept., official(s) are picking and Choosing who to Apply the Waiver of Distance to, thus, approving Arab(s) to operate Business in areas predominately Black.
